Rep. Mike Demicco Appointed Co-chair of Environment Committee

Rep. Mike Demicco (D-Farmington) was appointed House Chair of the legislature's Environment Committee on Friday. He will continue to serve on the Energy and Technology Committee and Public Health Committee.

"I'm honored to be appointed chair of the Environment Committee. Farmington residents value conservation and the preservation of Connecticut's environment," **Rep. Demicco** said. "From local agriculture to our state parks, I will work to preserve the environmental resources from which we all benefit."

"Rep. Demicco's experience and interest in this area makes him a natural choice to chair the Environment Committee," **Speaker Aresimowicz** said. "I look forward to working with him to ensure that we are preserving Connecticut's environment and natural resources for generations to come."

The Environment Committee has cognizance of matters relating to the Department of Energy and Environmental Protection, including conservation, recreation, pollution control, fisheries and game, state parks and forests, water resources and flood and erosion control. It is also the committee of cognizance for all matters relating to the Department of Agriculture, including farming, dairy products and domestic animals.
