STATE REPRESENTATIVE PAT BOYD WELCOMES FUNDING FOR BROOKLYN AND EASTFORD

Representative **Pat Boyd** (D- Ashford, Brooklyn, Eastford, Hampton, Mansfield, Pomfret, Woodstock), is pleased to announce that the towns of Brooklyn and Eastford will receive funding through the Small Town Economic Assistance Program (STEAP). The funds will be utilized for important infrastructure projects aimed at enhancing the quality of life for residents.

The Town of Brooklyn has been awarded \$250,000 for the reconstruction of Church Street. This crucial investment will not only improve transportation infrastructure but also contribute to the overall safety and accessibility of the area. The town will further support this project by providing \$20,000 in matching funds.

The Town of Eastford has received \$156,616 in funding. This grant will be utilized for the resurfacing and paving of town parking lots and the town playground. Eastford will contribute \$39,154 in matching funds to ensure the success of this project.

“These investments in Brooklyn and Eastford will greatly enhance the daily lives of our residents by improving transportation and recreational facilities. This funding serves as a testament to our ongoing commitment in creating vibrant and thriving communities,” said **Rep. Boyd**. “I would like to extend my appreciation to Governor Lamont and Speaker Ritter for making this possible.”

STEAP funds are issued by the State Bond Commission and can only be used for capital projects. This program funds economic development, community conservation, and quality of life projects for localities.
