## CONLEY EARNS 98 PERCENT VOTING RECORD IN THE 2017 LEGISLATIVE SESSION

**State Rep. Christine Conley, D-Groton**, is proud to announce she was present and voting 98 percent of the time during the 2017 legislative session.

“This session had its budgetary and legislative challenges, however, I am proud to have helped make my constituents’ voices heard in Hartford by voting for legislation that puts their needs and interests first,” **Conley** said. “I will continue to work to pass legislation that makes Connecticut an even better place to live, work and raise a family.”

**Conley** voted 410 times for a 98 percent voting record in the 2017 legislative session.

“Rep. Conley suffered a devastating injury at the beginning of the legislative session. For her to have made 98 percent of our votes speaks to her determination and her commitment to the citizens of Groton. I am extremely proud of Christine,” said **House Majority Leader Matt Ritter, D-Hartford**.

**Conley** represents Groton’s and Ledyard’s 40th Assembly District. She is a member of the Judiciary Committee.
