## **REP. ROSE SUPPORTS HELP-A-HERO EVENT FOR HOMELESS VETERANS**

**State Rep. Kim Rose** (D-Milford) a member of the legislature's Veteran's Affairs Committee, today joined House Co-Chair Rep. Jack Hennessy and others, at the annual Help-A-Hero event to benefit homeless veterans outside the Legislative Office Building.

The public and colleagues were encouraged to participate by donating items including health care and hygiene items for men & women and other essential and basic products.

"This year my colleagues in the House chamber helped us raise more than \$350 in cash donations for this important cause," **Rep. Rose** said. "I am glad we are able to help support our homeless veterans with something that goes directly to them for personal use."

All donations collected today, which typically fill the traditional organization's Humvee truck, will be given to the South Park Inn Veteran Drop-in-center.

**Rep. Rose** said, "While we as a state are doing a great job at eradicating veterans' homelessness, we still have work to do and every little effort we make, makes a big difference."
