Dear Commissioner Redeker,

Thank you for your commitment to addressing concerns related to traffic safety in our state and specifically in Bridgeport. I look forward to scheduling a review with you and a traffic engineer of a particularly dangerous intersection in Bridgeport at State Street and Lafayette Boulevard.

It has been reported that there have been 25 accidents at this intersection in recent memory. I lost a constituent to a fatal accident at this intersection. And a brief internet search regarding accidents at Lafayette Boulevard and State Street displays a number of article accounts regarding various accidents at the intersection including a fatality in November, 2013.

Again thank for you willingness to address this matter and your consistent interest in the well-being and safety of the residents of Bridgeport and the people of the State of Connecticut. I look forward to your review of the intersection and suggestions and insights regarding an appropriate remedy.

Sincerely,
