## REP. ROSARIO WORKS TO ADDRESS DANGEROUS TRAFFIC CORNER

**Representative Christopher Rosario (D-Bridgeport)** is working with Department of Transportation officials to address safety concerns at the corner of State Street and Lafayette Boulevard in Bridgeport.

“There have been 25 reported accidents at this corner in recent memory, including one in August of this year, and a fatal accident in November 2013 involving a constituent,” **Rep. Rosario** said. “I look forward to working with Connecticut Department of Transportation officials to make this corner safer for all drivers and pedestrians alike.”

Rep. Rosario reached out to the Commissioner of Transportation and plans to meet with them in the coming weeks to discuss and put a plan of action together.

“I am sure we will be able to work together to make improvements to this problematic area in the city and will make sure to keep residents updated on our progress,” **Rep. Rosario** added.

Rep. Rosario represents the 128th Assembly District and serves on the Appropriations, Energy and Technology and Transportation Committees. He also serves on the Transportation, Human Services and Judicial and Corrections Appropriations Subcommittees.
