REP. STALLWORTH IN SUPPORT OF EQUITABLE SCHOOL FUNDING

Representative Charlie Stallworth (D-Bridgeport) joined with colleagues and parents from the Achievement First schools in Hartford, New Haven and Bridgeport at the Capitol to call for the legislature to take action on equitable funding of all public schools and charter schools in response to a recent Superior Court decision.

Connecticut was faulted on its lack of fulfilling its constitutional duty to fairly educate its poorest children and was ordered to come up with a new funding formula for public schools. The decision comes after a 10+ year legal battle between the state and the [Connecticut Coalition for Justice in Education](#).

Rep. Stallworth represents the 126th Assembly District in Bridgeport. In addition to serving as Vice Chair of the Banks Committee, and serves on the Human Services and Finance Revenue and Bonding committees
