Rep. Urban Leads Drive To Help Pawcatuck Neighborhood Center

Representative Diana Urban (D-Stonington) has announced a Back To School Drive to help the Pawcatuck Neighborhood Center from 10 a.m. to 3 p.m. Thursday at McQuade's Marketplace in Mystic.

“The Pawcatuck Neighborhood Center is a wonderful organization that helps children in need and it is my hope that this drive will help those who are not as fortunate as others prepare for the school year,” said Rep. Urban, the House chair of the legislature’s Committee on Children.

Rep. Urban urged residents of the area to donate computer flash drives, backpacks, notebooks, folders, pens, pencils, erasers, paper, rules, crayons, scissors and pencil sharpeners.

“I want our kids to have a chance to do the best they can at school, and I know they will appreciate everything we can do to help make the coming school year a success,” she said.
